Don't Have Time to Volunteer?

We get it! Not everyone has time, or the desire to volunteer. For this reason we are happy and excited to be able to take the donations that come from our members and supporters and put it towards the many events and activities that we sponsor throughout the year. We sincerely ask that if you can't find time, try to find the ability to make a difference in one of our events, and donate today. No amount is too small, and is always appreciated.

We strongly encourage all parents to join the PTA Membership in District 67 PTA is optional, however your support is **necessary** to continue providing **essential** programs, including **ALL** of those listed above that are a vital part of your child's school experience. Joining the PTA ***does not*** require you to attend meetings, but offers you the opportunity to do so.

Your membership allows you to vote at meetings. A second membership lends additional support to our PTA and extends voting privileges at meetings.
